## PERSONAL STATEMENT

I am an individual who is self-motivated and works well both independently and in a team. I am reliable and have enough self-discipline and persistence to carry multiple projects from conceptualization to completion.

## EDUCATION

### Bachelor of Science in Design Management

American University of Sharjah

2016 - 2021

Relevant Projects |

Used creative thinking in building a service and a product to solve theft cases in London.

Developed an experience where people can learn more about the role of perfume in the Emirati identity and enjoy crafting Emirati perfume themselves, specifically Dukhoon.

## WORK EXPERIENCE

### INTERNSHIP

Intern | Irthi Council

9/2021 - 11/2021
